

**Marin Community Clinics**, an independent, non-profit organization, has provided high quality, affordable health care for people of all ages since 1972. Over 30,000 low-income Marin residents rely on us to be their “medical home.”

Services include primary health care, dentistry, behavioral health, obstetrics and gynecology, family planning for men and women, and specialty care.

The presence of Marin Community Clinics means more children are receiving regular check-ups and are immunized, adults are healthier and more productive, and medical and dental problems are addressed before they become expensive to treat or life-threatening.

Marin Community Clinics means a healthier Marin for everyone.

#### Our Mission

To improve the health of our patients and community by providing high quality, cost-effective, culturally sensitive, patient-centered health care.

You are invited  
to join our  
Legacy Circle

In the ever-changing landscape of healthcare, there will always be a need for Marin Community Clinics. For four decades, we have built a reputation for providing high quality, compassionate health care to patients of all ages. Whether serving as the lynchpin of Marin's safety net or as the preferred provider for a wave of newly-insured patients, Marin Community Clinics is positioned to lead a healthy community for years to come.

At the core of our financial base are committed, charitable investors whose gifts allow us to remain a beacon of hope for our neighbors in need. We at Marin Community Clinics are privileged to enjoy this rich tradition of philanthropic support.

### Sustaining the Mission

Marin Community Clinics is making it possible for our many supporters and donors to sustain their generous annual contributions, even after they have passed on. That opportunity lies with a membership in Marin Community Clinics' *Legacy Circle*.

The *Legacy Circle* is comprised of donors who believe so deeply in the value of our mission that they have made a personal commitment to guarantee that the Clinics remain financially secure through the proceeds of their own Planned Gifts.

For more information, please contact Marin Community Clinics' Planned Giving office at 415-526-8527 or [gifts@marinclinics.org](mailto:gifts@marinclinics.org). Our planned Giving representative can provide you with confidential information about becoming a Legacy Circle member and naming Marin Community Clinics in your estate plan.

Most Planned Gifts are bequests, designating the Clinics as the recipient through a will or trust. They require no current donation and allow the donor to provide for heirs in addition to Marin Community Clinics. Charitable trusts, life insurance policies, IRAs and pension assets are examples of other forms of Planned Gifts which can be designated to benefit the Clinics through estate plans.

### Joining the Legacy Circle

Anyone may join the *Legacy Circle* by notifying us that they have included Marin Community Clinics in their will or estate plan. Complete and return the Membership panel in this brochure. The size of your gift need not be disclosed.

As a new member you will receive a *Legacy Circle* certificate and a distinctive membership pin which you can proudly wear to Clinic events. Unless you choose to remain anonymous, your name will be displayed in our Donor Honor Role. And you will be an honored guest at our annual *Legacy Circle* President's Reception where you will meet others who share your deep commitment.

### Please enroll me/us in the Legacy Circle:
